Description	Film in LDPE termoretraibile. Colore: trasparente. Adatto a tutte le applicazioni di packaging secondario per bottiglie e flaconi per beverage, personal care e igiene della casa, il film presenta elevata resistenza e caratteristiche meccaniche idonee per una corretta termoretrazione. Essendo interamente in polietilene, è anche riciclabile al termine della vita utile. Nella versione stampabile consente di ottenere un alta resa qualitativa anche nella decorazione con immagini fotografiche.
